

FBC Kimberling City is loving local!

"We take for granted going home, sleeping in our beds at night, and we just don't realize that there's kids, not any fault of their own, that have to sleep

on the floor or worse," says FBC Kimberling City's Pastor Jeff Hardy. Seeing the need, FBCKC builds beds for children in their southern Stone County community as part of "Sleep in Heavenly Peace", an organization that builds and delivers beds to children who do not have a bed. Their motto: "No child sleeps on the floor in our town!

TCBA initiates SW MO Church Revitalizers Network

On February 7, 20 leaders from churches across SW MO gathered at TCBA's office in Nixa. We examined scripture, heard testimony of God at work and prayed for each other. Takeaways: God moves when His people seek Him and say "Lord we'll do whatever it takes to be the church you want us to be." Next gathering: May 9.

5 questions

every plateaued or declining church should honestly ask:

- 1. Where are we?
- 2. How did we get here?
- 3. What would God have us change in order to be the church He wants us to be?
- 4. How will we get there?
- 5. Are we willing to do whatever it takes to be the church God wants us to be?

Is your church plateaued or in decline? TCBA can help you assess where you are and how to get where God wants you to be. Contact Phillip for more information.

Being "importunate" and "pertinacious"

In Luke 11, Jesus teaches a parable to show us how He wants His followers to pray. A man had unexpected guests and didn't have food in the house, so he went next door and banged on the door. The parable's point can be summed up with Jesus's words: "Though he will not rise and give him because he is his friend, yet because of his importunity he will rise and give him" (Luke 11:8). In other words, Jesus directs us to pray with importunity.

Now, that word "importunity" is not one I use every day, so I looked it up in the dictionary and here's what found: importunity means "urgent request; troublesome pertinacity."

When I saw that, I thought "perti-

WHAT?" So I went back to the dictionary, and learned that "pertinacity" is sticking with something, no matter what. People with pertinacity won't give up, and they stick with things. Pertinacity is a mix of courage, conviction, and a little stubbornness.

"Importunity" and "pertinacity" are 50-cent words with million dollar meanings, because it's how Jesus

wants us to pray to the Father. With boldness. With persistence. With courage, conviction and stubbornness. God's churches today NEED that kind of praying. Lord, teach us to pray!
