You Will See What the Bible Says...

Now the Lord had said to Abram: “Get out of your country, From your family and from your father’s house, To a land that I will show you.” Genesis 12:1

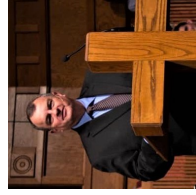

You can have an unforgettable journey into the Holy Land. Many places you have studied you will see and experience for yourself. Picture yourself sailing in a boat similar to the one that the disciples would have sailed on the Sea of Galilee. See Jesus’ birthplace in Bethlehem, walk the streets of Jerusalem, and experienced the Lord’s Supper at the Garden Tomb. You can be baptized in the Jordan River. God picked this land for His chosen people. There is no place like it! You will feel His presence as you tour and will be awe struck by all He has done. It was in this land that your roots were planted and your Christian heritage was born. The land of Abraham, Isaac, and Jacob is your land—your spiritual home. When you seek Him here, you will never be the same. Before you travel, you read the scriptures in black and white—but after you have been to Israel you will read those same scriptures in bright beautiful color. At the end of this tour two, things will most certainly be changed: you and your understanding of the Bible. Join us and like-minded friends as we together journey and grow in our faith.

ABOUT OUR LEADERS

Velma Merritt, our tour coordinator, is a published author (velmamerritt.com) and has led numerous tours of Israel. As a young woman, she met and married her college sweetheart—who became a pastor, fulfilling her calling of being a pastor’s wife. During the course of their ministry together, they lived in seventeen different areas including two European countries and four states. Today Velma lives in Nixa, Missouri located between her three children and nine grandchildren. There she continues to minister through writing and teaching.

As Director of Missions with the Tri-County Baptist Association, our tour host **Phillip Shuford** is a pastor to pastors and a missions catalyst for churches in three southwest Missouri counties. He holds Master’s degrees in Theology, Divinity and Religious Education, as well as the Doctor of Ministry degree. He is fluent in Spanish and has done mission work in Peru, Venezuela, Cuba, Mexico, Guatemala, Belize and Honduras. He and his wife Elsy (originally from Venezuela) have two high-school age children.
