Pray for Tri-County Camps!

A week from today, HUNDREDS of children, youth and adults will gather at Baptist Hill Assembly in Mt. Vernon MO for four days of learning, activities and growing closer to Jesus.

Will you commit to pray for our camps next week? If so, please email phillip@tcsba.com and simply say **I'LL PRAY**. There's power in prayer!

As you pray for TCBA's Children's and Youth Camps this summer, here are some specific things to lift up.

FOR CAMP LEADERS (Directors, cabin leaders, camp pastors/speakers, kitchen staff, Medic, and others):

- Model Christ-likeness at all times (even when they're tired!)
- Health and physical endurance.
- Connection and bonding with their campers.
- Having the right words to say when they don't know how to respond to a camper.
- An attitude that would know and remember frequently that they are not here to give of their own strength, but to be used and be a vessel for God's strength and love. An attitude that allows them to step out of the way and let God work through them, and even in spite of them.
- Wisdom as they make choices, so they can be an example that points the campers to the Lord.
- A joy and excitement about the Word that draws the campers in and gets them excited about it!

FOR CAMPERS:

- Connections with friends, old and new, and their counselors.
- Fun and safety as they participate in activities.
- An openness to the teaching presented during worship time and cabin devotions.
- Curiosity and the freedom to ask questions about their faith.
- A willingness to learn, challenge themselves and grow.
- For those who do not know the saving grace of Jesus Christ, pray that seeds would fall on soft hearts and the Holy Spirit would be drawing them to repentance.

THANK YOU FOR YOUR PRAYERS as we engage in ministry with our children and youth this summer!

Tri-County is partnering with Southwest Baptist University to reach kids for Christ!

God's done a beautiful thing by creating a partnership between Tri-County, Baptist Hill Assembly in Mt. Vernon and Southwest Baptist University.

For the past few years SBU has sent mission teams of students to Baptist Hill to help prepare the Hill for the busy camp season.

Now, SBU send more students to help with Tri-County's camps as cabin leaders. These kids are a joy and are HARD workers!

Last week, SBU's Dr. Colleen Shuler (Professor of Education) and her husband Henry (retired from SBU) organized a group of SBU students, high school students, and adults to serve at Baptist Hill.

They worked hard to help prepare for the camps that will be attending this summer by mowing and weeding, cleaning and changing out mattresses, cleaning everything in the kitchen, and so many other tasks.

We appreciate so very much all their hard work and willingness to give a week of their time to help make Baptist Hill look great when campers begin arriving for the summer! Thank you students and adults!

Tri-County is helping train the next generation of Christian servants!

In May, Jeffrey Wohlfert, Adult Discipleship Pastor at FBC Ozark, graduated with a Master of Arts in Theological Studies from Midwestern Baptist Theological Seminary. Congratulations, Jeffrey!

Jeffrey received financial assistance for tuition through Tri-County's **Jim and Judy Wells Ministry Scholarship**. Working together, Tri-County's making a difference!

New life in Galena!

For years, FBC Galena (Stone County) has struggled. Late last year, the remaining 3 members voted to cease functioning as a church. Some might say that "a light for Christ has gone out."

But God had other plans!

Pastor David Pearson of Sojourn Church in Nixa is a former NAMB church planter, who has a heart for rural areas. God brought David and the folks from FBC Galena together--and as part of their vote to close, they also voted to give the property to Sojourn Church to start a new church where the old one stood.

The people of Sojourn wholeheartedly accepted the challenge of replanting FBC Galena into something new. Recently dozens from the church cleaned, repaired, had a "free yard sale" (come and get it!). Then they gathered on the church steps to pray for Galena and her people.

Plans are still in work. But thank God that His words are still true: **"Unless a grain of wheat falls into the earth and dies, it remains alone; but if it dies, it bears much fruit"** (John 12:24)

Please pray that God will use this effort for His glory! For more information on the Galena project, contact Phillip at Tri-County.
